Beginning in May of 2016, Flatlanders Studio will embark on having a continual Community Art Gallery on its walls. Our aim is to create a space where community artists can be celebrated and encouraged, where art can stimulate, encourage and challenge, and where we can all be blessed by sharing and receiving the creative offerings to and from one another.

From this time forward we would like to invite our community artists to submit a few pieces to have on display and / or to sell in the Flatlanders Studio Community Art Gallery. We would like to make room for as many artists as possible, so at this point we are limiting the submissions to (2) per person. We will also have space for displaying and selling art that has been created in our WCV church services. *(This can be over and above the (2) submitted pieces per artist).*

Please note that due to the many uses of the studio space, the artwork chosen must be suitable for young families and church worship services *(if you have any questions about this we would love to talk this over with you).*

There will be occasional shows and rental events in the studio space that will require the community artwork to come off the walls for a time period. We will carefully remove and store the art until the rental is over and we will then reinstall the art on the gallery walls.

We want this to be a place where artists are blessed and encouraged to grow in their skill and passion for art. One way we hope to do this is by offering the opportunity to sell your pieces of art. Typically a standard art gallery takes 40%- 60% of the profit on a piece. We are trying to balance the tension of wanting to really bless our artists, and the need to raise our own money to support the art initiatives in our church and studio. So we have decided that to be fair to both parties, there will be a 25% commission on each piece of art sold that will go into the Flatlanders Studio fund to help support more community art initiatives in our church and studio space.

You can choose to have your item on display only, on sale with the 25% commission added to your asking price, or if you feel really passionate about our supporting more community art initiatives, you could also donate a higher percentage of your sale back to the studio fund. Please click off the box that applies to you. *(If you need help with pricing your art we would be happy to help you).*

We are thankful for you, and are excited and hopeful for the mutual blessings that can come from this community gallery experience. May God move in you and through you as you create pieces for these gallery walls.

Sincerely,

Flatlanders Studio Art Team

Flatlanders Studio is a part of the Winnipeg Centre Vineyard (WCV) church as well as Flatlanders Inn. The space is open to the public every Sunday during WCV's Sunday gatherings and is accessible to Flatlanders Inn residents at all times. The studio is a multi use space and so there may be a number of events happening while an art exhibit is being hosted.

Though we will try our absolute best to protect your art, WCV and Flatlanders Inn are not responsible for any damage that could incur during an art exhibit. To guarantee coverage for your installation/art, we recommend that you purchase private insurance.
