

A More Christ-like Prayer

In the Name of Jesus

We may not fully trust our inward voice to be totally in line with God.

- Why might a person not fully trust their inner sense of how God would have them pray?
- How would you describe the difference between the character of the self-centred voice and the character of Jesus' voice?
- Does God listen to the Christ-like prayer from an unchrist-like person?
- Might the Christ-like prayer change the unchrist-like person?

John 14:12-14; 23-24

12 Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. 13 And I will do whatever you ask in my name, so that the Father may be glorified in the Son. 14 You may ask me for anything in my name, and I will do it.

23 Jesus replied, "Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them.

24 Anyone who does not love me will not obey my teaching. These words you hear are not my own; they belong to the Father who sent me.
